10-Needle Home Embroidery Machine

Overview

Take a closer look at the revolutionary Entrepreneur® Pro PR1000e, a 10-needle home embroidery machine with all the great features of our popular 6-needle home embroidery machine, plus additional features and functions that deliver professional quality results. The PR1000e raises the bar in embroidery for hobbyists, crafters and home-based entrepreneurs. Finish most multi-color designs faster, easier, and with greater precision than with most single or 6-needle machines. Create professional results on a wide range of items with logos, monograms and more. Let the PR1000e inspire you to create designs you've only dreamed of before! The PR1000e comes equipped with some of the most powerful design and editing capabilities ever built into a multi-needle embroidery machine. Just when you think you've reached the limits of creative freedom, look again — the PR1000e likely has more to offer.
