Hi I'm author, fabric designer and radio show host [Pat Sloan](#). I'm delighted to share my "Hearts Bloom" wallhanging with you! My original quilt is hand blanket stitched and freemotion machine quilted on my super amazing Janome 8900!

### Janome Supplies Required:

- Janome Sewing Machine - Pat uses the Horizon Memory Craft 8900 QCP.

### Fabric and Notions Required:

- 1/3 yard Border Fabric - Mine is a 'Faux' pieced fabric, so those are NOT little squares, wink!
  - cut 2 strips 3.5" x 30.5"
  - cut 2 strips 3.5" x 14.5"
- 1/2 yard of Triangles and Binding Fabric
  - cut 22 Triangles
- 14.5" x 24.5" Background Fabric
- FQ and Scraps of fabric for the applique

---I made mine scrappy using several fabrics in each color, including a stripe that I repeated.

- Heat n Bond lite
- Aurifil Thread in 50 wt

Instructions: Please print out the template and instructions [here](#). Below is a general concept of the project.

1. In the background I quilted bubbles. I have a youtube video on this. [Click here](#) to view it.

2. Then in the border I did an echo of the appliqued triangles.

3. Some of the applique has definition quilting, like the bird, petals and flower caps.
